It has been great to see the children settling into some good work habits this week. The have been looking at natural and built environments and have shown many of their talents through art and research skills.

Premiers Sporting Challenge
We have enrolled in the Premiers Sporting challenge for 2014. The children have been eager to document each lot of 20 minutes exercise they have completed.
The Premier’s Sporting Challenge aims to engage young people in sport and physical activity and encourages them to lead healthy, active lifestyles.
Sport plays an important role in developing regular physical activity, provides positive health outcomes and is a fun and healthy way to connect with your local community.

Crunch & Sip
Crunch & Sip is a set break to eat fruit or salad vegetables and drink water in the classroom. Students re-fuel with fruit or vegetables during the morning, assisting physical and mental performance and concentration in the classroom. This gives kids a chance to refuel, a bit like putting petrol in a car.
Each day students' are encouraged to bring fruit or salad vegetables to school to eat in the classroom at 10:00am (approx).

What’s cooking with Mr Klump?

Wow! What a smorgasbord we had today. They children have taken on an active role deciding the menu for each cooking lesson.

Doughnuts were a winner, complimented by fruit, cheese and crackers.

Team work was the key to getting the pastry right for spinach and cheese turnovers.

Roast lamb and vegies for lunch. What a treat!

Good News Story

We received the following email regarding our student’s recent involvement in ANZAC Day.

Would you please pass on to Levi the excellent recital of the Prayer for the Queen at our ANZAC Day ceremony. In all my years in attending ANZAC ceremonies, Levi is the first to deliver to prayer without referring to the written script. He certainly has done his school proud.
