Term 2 Week 4

Congratulations to both students and parents for remembering to pack crunch and sip. We have had almost every student participate in this during our morning session.

Homework
All children have taken a homework folder home today. Children are expected to revise their spelling words and complete the activities. If you have any home readers floating around your house, can you please return these before a new one will be issued. It would be great to have all children completing homework and home reading on a regular basis.

Cooking with Mr Klump
This week the children will be making Tomato Relish. If you have any spare jars at home can you please send them in on Wednesday.
Please note students need to bring Recess and Lunch as well as their crunch and sip this Wednesday.

Questacon
Thank you to the students who attended this excursion. It was great to see many of the students representing Crowdy Head PS in such a positive way. Thank you also to Jane and Mrs Kelly for transporting the children back to school.

School Expectations
Please speak with your child/ren about school expectations and the need to follow school rules. This also includes showing respect and common sense when we have visiting teachers and community members. Students who have not been complying with school rules will not be attending any reward days. A warning letter will be sent home to advise parents that their child has not been following the school rules.

Chatham PS - Fridays
Please note that this is still a normal school day. If your child is absent from this, you still need to return a note to Crowdy Head PS to explain your child’s absence. Year 6 children are expected to attend Chatham PS each Friday. If for some reason they cannot attend Chatham, they are expected to attend school as normal.

School website
Each week the Newsletter will be posted onto the school website. We are also currently in the process of updating photos of recent events. Keep an eye out for updates.

Winter Uniform
There are a number of tracksuit pants and tops available to purchase. If your child is in need of any extra winter uniform, please see Narelle on a Tuesday in the office.
Reforms to P&C Federation

The NSW Parliament has introduced legislation to reform the NSW Federation of Parent and Citizens Associations, which has suspended operation pending Supreme Court action. While these reforms will not affect the day-to-day operation of individual school P&Cs, they will introduce a new executive structure which will ensure the Federation operates as a modern and representative body on behalf of school P&C Associations.

Each school’s P&C Association will be asked to vote for councillors and delegates who will represent their electorate at the Federation’s Annual General Meeting and councillors who will serve on the Federation’s Board of Management. More information will be available on the Department’s website at http://www.schools.nsw.edu.au/gotoschool/a-z/involvement.php.

Shoes

Children have been reminded that their shoes need to stay on whilst at school, please help us enforce this by reminding your children.

Jewellery

Please remember that jewellery is not part of the school uniform and should be left at home.

As the cold weather hits, so do the winter bugs. It’s often hard to know whether to send your child to school or let them stay home to recover, especially when that means an adult cancelling work. For safety’s sake, if your child seems unwell you should always keep them home from school and seek medical advice. School A to Z and the NSW Health have created an at-a-glance chart to help answer your questions about common childhood illness and how long sick kids need to miss school. Have a great week,

Regards
