Term 2 Week 5

Crowdy Head Public School Closure

Mr Mark Youngblutt would like to meet with parents and any interested community members to talk about the things that would need to happen before the end of the year in preparation for the closure of the school. Questions that could be asked:
Where will the school's equipment and resources go?
What support and assistance is available to families who'll have students transferring to another primary school.
Where will special memorabilia be stored?

Homework

Congratulations to those students who completed their homework last week. It has been pleasing to see the enthusiasm shown by some students.

Cooking with Mr Klump

Please note students need to bring Recess and Lunch as well as their crunch and sip this Wednesday.

School Expectations

Please speak with your child/ren about school expectations and the need to follow school rules. This also includes showing respect and common sense when we have visiting teachers and community members. Students who have not been complying with school rules will not be attending any reward days. A warning letter will be sent home to advise parents that their child has not been following the school rules.
